At the Business Meeting on March 13, 2023, the SC Workers' Compensation Commission approved changes to the Medical Services Provider Manual (MSPM) for 2023.

The codes in the fee schedule were made current by including codes established for 2023 and deleting obsolete codes, updating copyright dates, code ranges, numerical examples and URL links. Maximum allowable payment (MAP) amounts will be updated based on a Conversion Factor of \$51.50 and an Anesthesia Unit rate of \$32.85.

The changes will be effective April 1, 2023.
