Advisory Notice Cases Pending Before Commissioner Derrick L. Williams

On December 5, 2012 Governor Haley nominated Aisha Taylor as Commissioner to replace Commissioner Derrick L. Williams who is resigning from the Commission to return to private practice. Ms. Taylor's confirmation was approved by the Senate Judiciary on January 23, 2013. The confirmation will be considered on the floor of the Senate soon.

In light of these events, the Commission respectfully requests all parties responsible for preparing Orders requested by Commissioner Williams to submit the Orders for execution no later than close of business Wednesday, January 30, 2013. Failure to meet this deadline may require a subsequent rehearing of the case. Please submit the proposed Order in WORD format electronically via email to Renee Smith at rgsmith@wcc.sc.gov.

Your attention to this matter will assist the Commission in properly planning for the transition of cases currently assigned to Commissioner Williams in the event Ms. Taylor is confirmed by the Senate.
