Workers' Compensation Commission

December 1, 2016

ADVISORY NOTICE

Submission of Dependency Investigations

Regulation 67-902(B) governs the discovery of beneficiaries when a fatality has occurred as a result of a work related injury. It requires the employer's representative to attach to the Form 12A a list of the names, addresses, and ages of all known beneficiaries. The list must be submitted with the dependency investigation filed with the Commission.
