*Available in Printed and PDF/Excel Formats*

**T**he South Carolina Workers' Compensation Commission's *2010 Medical Services Provider Manual* is now on sale. The 2010 edition is a complete revision to the fee schedule with new maximum allowable payments based on 2010 CPT® coding, CMS's 2010 relative values, and an updated conversion factor of \$50, \$30 for anesthesia. The 2010 edition becomes effective July 1, 2010, and provides the most up-to-date information on the billing and payment for medical services, including the adoption of the National Correct Coding Initiative and updated requirements concerning the release of medical information.

The 2010 Manual covers services for physicians of all specialties, chiropractors, psychologists, physician assistants, nurse practitioners, clinical social workers and physical therapists. This edition provides more detailed procedure descriptions as well as further clarification of payment policies. It also serves as an excellent reference for price comparisons with other payers.

*The 2010 edition features individual sections for:*

- General Policy
- Evaluation & Management Services
- Anesthesia
- Surgery
- Radiology
- Pathology & Laboratory Services
- Medicine & Injections
- Physical Medicine
- Special Reports & Services
- Supplies & Durable Medical Equipment
- Pharmacy

Copies are \$75 each for the printed and PDF/Excel on CD-Rom. Prices for the CD-Rom vary based on the number of licensed users. Price includes shipping, handling and sales tax. To order, simply complete the order form and return it with your check made payable to the South Carolina Workers' Compensation Commission.

*Shipments will begin June 7, 2010.*
