2015 MEDICAL SERVICES PROVIDER MANUAL COMPLIANCE ADVISORY NOTICE

The updated *South Carolina Workers' Compensation Medical Services Provider Manual (MSPM)* goes into effect September 1, 2015. This new fee schedule is based on current CPT codes and CMS billing methodology, but is modified to meet legislated requirements.

It is imperative that providers and carriers obtain the new MSPM to assure compliance with South Carolina's billing and compensation regulations. The South Carolina Code of Regulations prohibits payments for workers' compensation related services in excess of that which is provided for by the fee schedule (R67-1302 - <http://www.scstatehouse.gov/coderegs/Ch%2067.pdf>).

To order the 2015 MSPM, please contact Optum at <https://www.optumcoding.com/Product/45773/> or 800.464.3649, option 1. The copies of the manual may be purchased in print text, electronically for single user or multi-user licensing, at the purchase price listed in the table below. Please note that the data file cannot be purchased online due to the need to collect licensing information.
